The year 2016 began on a very positive note with Sanskriti turning 10!

The journey has been absolutely enchanting! It continues to be very heartening to learn how deeply the parents feel about imparting the cultural values to their children.

Having started from one ESF school in 2006, we now have students from 15 international schools.

Our corporate Hindi program is also developing at a steady pace.

FUN FACT!

Lucknow's City Montessori School is the world's biggest school. It was started in 1959 and now has 47,000 pupils in 1,000 classrooms run by 3800 staff.

To celebrate Sanskriti's 10th birthday, all our dear students will be presented with a newly designed SanskritiTEE and a beautiful backpack!

In January 2016, Sanskriti had the privilege of partnering with the Consulate General of India in order to showcase 'Sanskriti Idol' as a part of the World Hindi Day celebrations.

A big thank you to all the enthusiastic participants and their ever supportive parents for making Sanskriti Idol such a grand success!

2016 CALENDAR

The 2016 calendar is themed 'Indian Postage Stamp'.

It is our privilege to have the continued support of 'Kishinchand Chellaram Foundation'.

The first three stamps on the cover are the historical stamps issued by the Government of India after independence.

Every year we come out with a bilingual calendar which offers a platform to our students to showcase their artistic expressions. This also acts as a vital educational tool for the children.

Sanskriti Calendar is unique as the drawings are a fruition of the students vision and creativity.

FUN FACT!

The highest cricket ground in the world in Chail, Himachal Pradesh. It is located at an altitude of 2444m.
